Introduction of Third Language (R-3) – Sanskrit for Class IX

Dear Parents,

Greetings from Oxford International Academy!

As per the latest guidelines issued by the CBSE in alignment with the National Education Policy (NEP) 2020 and the National Curriculum Framework for School Education (NCF-SE) 2023, the study of three languages (R1, R2, and R3) at the Secondary Stage has been made compulsory from the academic session 2026–27 onwards.

In accordance with these directives, the school is introducing Sanskrit as the Third Language (R-3) for all students of Class IX.

Important Information

- 1-Sanskrit will be taught as 3rd language subject.
- 2-The assessment of R-3 Sanskrit will be school-based.
- 3-The marks/grades obtained in Sanskrit will be reflected in the Class X CBSE Board Mark sheet.

We request parents to encourage and support their wards in embracing this important educational initiative.

Warm Regards,

Principal

Oxford International Academy
